FOR IMMEDIATE RELEASE:

MAC Alarms Grows through Merger with No 1 Fire, AFS Provides Financing

SAN RAFAEL, CA – June 4, 2024 – MAC Alarms (“MAC”) of the greater Dallas area recently completed a merger with No. 1 Fire Safety Systems (“No 1 Fire”) of Hickory Creek, TX. MAC secured a loan for an undisclosed amount with Alarm Financial Services (“AFS”), which enables MAC to build out their commercial fire business with more robust solutions.

MAC Alarms is a locally owned alarm company specializing in both residential and commercial burglar and fire safety. “By merging with No 1 Fire, we can maximize our growth by providing more security services, camera systems, and access control to a growing customer base,” says Brent Kitchens, owner of MAC. “Fortunately, we had worked with AFS before, so we knew we could count on their expertise to assist us throughout the merger.”

For AFS, the merger was a winning proposition. “Since AFS had been providing financing to both No. 1 Fire and MAC Alarms, we were pleased to be able to introduce the two companies and help facilitate a successful merger,” says Jim Wooster, President of AFS.
